ABOUT US

Hope and Peace for Humanity (HPH) is a registered Community Based Organization (CBO) founded by highly committed and motivated volunteers to contribute towards a process of restoring hope, improving the quality of life of persons in post conflict communities of Northern Uganda

The organization is legally registered as CBO with Gulu District Government Reg No. CDR-1704; and currently in the process of registration as a National NGO

We have signed and endorsed a Memorandum of Understanding (MoU) with Gulu district for any program to be implemented.

OUR STORY

Hope and Peace for Humanity (HPH) is a registered Community Based Organisation (CBO) founded by highly committed and motivated youth volunteers to contribute towards a process of restoring hope, improving the quality of life of persons and communities infected and affected by HIV/AIDS (PHAs), Orphans and Vulnerable Children (OVCs), single mothers, and Extremely Vulnerable Individuals (EVIs) through Community Health promotion, Education, Economic Empowerment, Livelihood, Food Security and Peace Building for a sustainable development for self-reliance.

OUR VISION

Vision: A Socio-economically empowered community with Persons whose rights are recognized and upheld

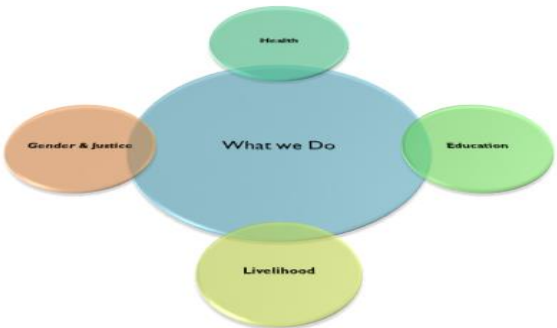

OUR MISSION

Mission: We work towards empowering people in Northern Uganda to take better control of their social and economic lives by ensuring their active participations in development activities for self-reliance

OUR CORE VALUES

WHAT WE DO

OUR TEAM AND BOARD COMPOSITION

HPH is led by a dedicated team of development professionals who guide our organization.

Our 17 Core programme staffs, and 5 volunteers brings diverse sets of skills and experience to HPH, but all share commitment to our mission of empowering people in Northern Uganda to take better control of their social and economic lives. We have 2 support staff and 40 Community Resource Persons (CRP) who are based at sub-county levels.

Our Board of Directors provides critical leadership and direction, borrowing from their many years of experience and expertise working in a variety of fields in the International NGO world and Governments. The board is represented by 7 board members (3F, 4M). The Board has 3 committees i.e. Programme Committee, general purpose committee and finances committee (including internal audit). These committees are chaired by a Board member and members are appointed by the Board.

OUR STRATEGY

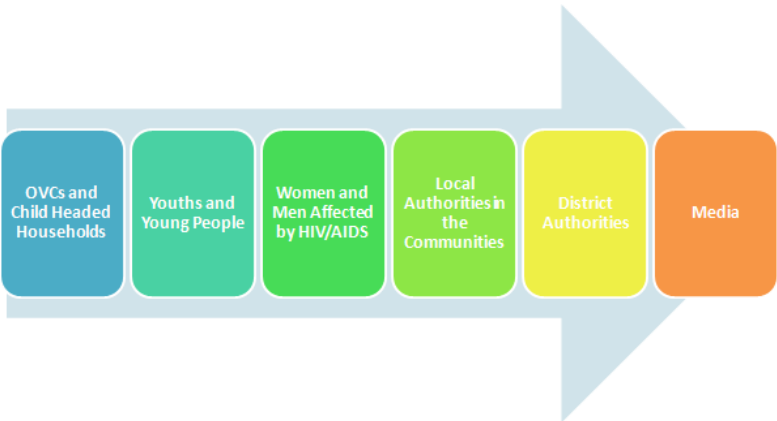

- ⇒ Training, mentorship, coaching, Capacity building and empowering women, men, youths and young people and grass root structures
- ⇒ Partnership with likeminded agencies, Local government, etc
- ⇒ Application of Participatory Approaches
- ⇒ Rights Based Approach programme
- ⇒ Research, Monitoring, Documentations, and Reporting of human rights violation
- ⇒ Advocacy for health and education rights.
- ⇒ VSLA Models as an entry point to address socioeconomic disparities.
- ⇒ ILO Start and Improve Your Business (SIYB) & Gender + Entrepreneurships Together (GET Ahead) model to address youth

- unemployment challenges through business skills development & Entrepreneurships.
- ⇒ SASA Methodology & Male Engagement for training communities on Gender Based Violence and human rights advocacies.

WHERE WE WORK

HPH operates in Uganda with active projects running in Acholi Sub Region. We also work at regional and National levels through networks and advocacy forums.

OUR TARGETS AND HOW WE WORK

Our Structures at the grassroots called the community partners and the community resource persons. OVCs, child mothers, young people and women in the rural communities

OUR STRATEGIC FOCUS AND OBJECTIVES

Strategic Area 1: Reproductive Health, Maternal Health, Child Health and HIV/AIDS Prevention, Care and Support.

- HPH operation within the strategic area I intends to contribution to and these include:
- ⇒ Contribute to the elimination of HIV/AIDS infection among new born and mothers.
 - ⇒ To increase ccommunity health access and health service utilisation among HIV/AIDS persons and their households
 - ⇒ To reduce vulnerability of Adolescent and young people to sexual gender based violence.

Strategic Area 2: Increased livelihoods opportunities and economic empowerment.

- ⇒ To increase capacity of youth, small holder farmers to sustainably earn a living.
